

# Website Administrator

The world of online betting is fast-paced, with promotional offers coming up and expiring almost daily. To help ensure our customers are seeing the very latest and most accurate information at all times, we're looking for a Website Administrator to join our team on a full-time basis. This will be a hybrid/remote role so wherever you are in the World, if this role sounds suitable, please get in touch.

Main duties include:

- Maintaining the AceOdds website
- Improving customers' online user experience
- Assisting with SEO strategies including; competitor analysis, reporting using Google Analytics
- Using Contentful to manage and update offers
- Sourcing and updating imagery and artwork
- Reviewing client/customer feedback
- Website testing and evaluation

The successful candidate should have:

- Experience updating websites using content management systems
- Good understanding of search engine optimisation (SEO)
- Strong IT skills, including Google Analytics, CSS, HTML

If this role looks like your next challenge, please contact [careers@aceodds.com](mailto:careers@aceodds.com) with your CV and cover letter.
